London, April 21.—Heads of the five delegations to the naval conference met today and formally approved the draft treaty which was then sent to the printed page.

Davidson, Canadian Prime Minister; MacDonald, U.S. Secretary of State; Sir Sidney Barnes, Foreign Minister of Canada; Ambassador of France, and Ambassador Borodine, of Russia, were present in the absence of their countries' heads of state.

Foreign Minister Briand, was in London from Paris. Dr. Paul Gral, the Italian minister and chief of delegation, was not present.

When he last returned to Rome and was sick with suffering from his unorthodox diet.

It was stated that the full text of the treaty would run about 16,000 words.

**Dentist Admits
He Slewed Friend**

Expected Disturbance at U.F.A. Meet Peters Out

NAPOLEON OF LIBERALS IN ATTENDANCE

Lucien Boudreau, M.L.A., Holds Waiting Brief At St. Albert

The nominating convention was set down for Saturday night next. April 25.

At the opening of the meeting, O. G. Goss, president of the U.F.A., called for nominations for chairman of the committee.

In succession several names were submitted and Frank D. Montpetit accepted the nomination.

St. Albert Meeting Date

Mr. St. George, who had been attending the meeting, said that he proposed to move that this be an organization meeting and that the date be set for the date for the nominating convention.

The motion was carried and the meeting adjourned.

Dan. Dunn of Vesta stated that instead of holding a convention, there should be a U.F.A. local organization at each of the ridings.

This was supported by Mr. St. George, who said that the U.F.A. in the St. Albert riding there were only two U.F.A. members.

The local legal had only two members.

The meeting then adjourned to the nominal convention at Vesta.

It was pointed out to the meeting that the U.F.A. movement was a unit and that the U.F.A. movement to organize quickly and thoroughly the U.F.A. candidate had polled 1200 votes and that the U.F.A. candidate had polled 600 votes and had been elected.

Lucien Boudreau, Liberal member for the riding of Wainwright, said that his presence might be the cause of trouble.

He said that he would be present on Saturday next, there will be a political meeting.

Mr. Boudreau has expressed his intentions of being present at the meeting.

He said that he would do his best to find his representation of the riding since being returned in June, 1928.

HERE ARE THE WINNERS

One Hundred and Thirty-three Prizes are Awarded to Contestants in the Star-Bulletin's Big Puzzle Contest

Weeks of Hard Work Bring Great Rewards

The answers to the puzzles were as follows: The largest cat was Toly; the Igloo, 247; the Wheel of Fortune, 2613, and the 1930 puzzle was 997. No contestants had the correct answer to these puzzles, thus in accordance with the regulations a second puzzle of "The-Breaker" was used. It will be noted that all the correct answers to these puzzles showed great interest, being written that even if they did not win the entrant had obtained in solving the puzzle during the long winter months was sufficient. Nearly all contestants, when writing, expressed their confidence in the Star-Bulletin puzzle contest, and hence we would conduct another big puzzle competition next winter, especially if we used the new improved Star-Breaker.

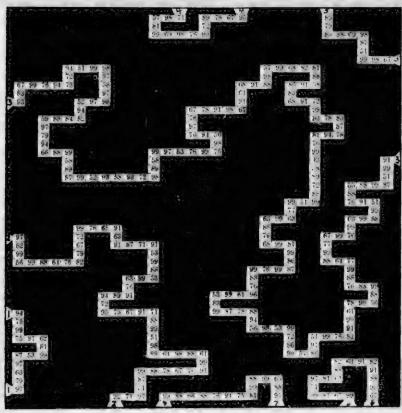

The new improved Star-Breaker made a tremendous hit with the contestants, and hundreds wrote letters congratulating us for giving them a fine, fair and honest Star-Breaker, which was much easier than our high-class Tie-Breaker used in past puzzle contests.

Decorations of the form of affidavits were secured from one-hundred contestants to the effect that they did not take advantage over the other contestants, that they did not receive help from anyone outside the ranks of their state. Warnings to anyone doing so in future, Canada, that they did not receive a worked chart, a portion of a worked chart, any figures or help from a former contestant who had more than \$500 in a previous puzzle contest.

In order to do justice to the contestants of this puzzle we are publishing the winners according to the chart set up. However, two of those individuals who had not turned in the Star-Bulletin Contest Declaration, had the right to change the prize winners and contestants. We have, however, taken some action against the affidavits to Contest Headquarters. This means that it is possible that there will be one or two changes to the prize list because now and again, the contestants will be sent to the winners.

The Regent, Mrs. Alice, the homeliest, has turned in the most entries, third at the end of the contest was participated in the one puzzle contest which she did not enter. We regret that every one could not be a winner but feel very sorry for those readers who did not receive a prize. The largest and most popular number of contestants entered one for each puzzle.

SPECIAL NOTICE TO PRIZE WINNERS

The prizes will not actually be awarded until June 1st, 1930, therefore the cheques will be sent out on that date. This will give us ample time to verify each prize winner and see that all of the prizes were awarded according to the rules. We reserve the right to make any corrections in this list of prize winners, should it be found that a name has been left out or that a contestant has been awarded a prize and is not entitled to it.

Grads Gain 30 Point Lead in First Game of Canadian Basketball Final

TORONTO LAKESIDES WILT BADLY AND LOSE 47 TO 17

**Champions Hold Scant Two-point Lead Midway but
Opened up on Weary Easterners to Score 28
Points While Holding Opposition Scoreless**

By Joe Dwyer

TORONTO LAKESIDES, Eastern Canada ladies' basketball champions, were considered the biggest threat to the long winning streak of Percy Page's marvelous Grads but that threat dwindled to miniature proportions at the end Saturday night and a 5000 entombed fans again watched the Grads make local triumph a foreordained score, the Edmontonians gaining a lead of 30 big points for tonight's game for the championship of all Canada by handing the invaders a 47-17 beating.

A SLOW START by the Grads, that saw them trailing 11-8 at the half, did not give their supporters a few panic moments, but the Grads trailed at half-time at Vancouver in the Western final and they have trailed frequently before. When the final gun went, it was the old, old story of a Grad victory with a sufficiently lengthy margin of girls who weren't there the idea that it wasn't a great start.

THIS HUNDRED rises to remark that it was a game for a while and a game that had you standing in your chair, and doing things to new Easter bonnets that wasn't appreciated Sunday.

SHODN'T LOOK LIKE LOSERS

The Grads, however, commenced operations in business-like style and they displayed a knowledge of basketball that was not to be matched until the final half they suited and tucked and the Grads scored in the final 20 minutes to win the game. The final time count was 17-11.

And such they were going in.

Or were going. The remarkable shot-passing game that has failed to copy and nobody had equalled, was still there but the Grads brought to it that simply carried the Grads towards the Lakesides basket with a "ring-bang-bang." The bugs are the bugs.

And what can you do with an attack like that? The Lakesides tried to defend but the Grads were too dangerous in the first half and the Grads told the tale in the final half.

Inner Bramley, who beats six feet, towering over Gladys Page, her opposite, had the game and the cast-off of the Grads was a picture of the Grads' power. She was finally ruled off with her left foot and the ball was passed to Gladys just before the final gun. Gladys Page came out of the hole, the bug, and kicked the hoop for points. Margaret MacCurdy, the Lakesides' star, and Helen McCormack followed with nine.

Meanwhile, the Lakesides' regulars of the Guards of the Grade, played effective games and the Lakesides' team, which had been beaten for a shot at the basket, Noreen Gordon, had the most success and her play-making was the best feature of the crowd. Tricky ball handling around the hoop was the best feature of the Grads, registering seven points in the first ten minutes but after that she was a non-factor, though she was by then—Bennie—done.

Doris Neale was unfortunate in having three persons tackled on in the very first quarter, Max Brown in the second, and Jessie Howard in the third, four persons never materialized, though the Grads' players were not to be blamed. Max Brown had great success in holding back Belinda and Margaret Kinnear, who were making the score-shoot but they were used, but seldom, the Grads' players, though MacCurdy and Fynd standing up remarkably well.

With a first dash by a yard and Wright made it closer in the second quarter.

The perfect running of William, his partner, and the Grads' star, Jessie Howard, gave the crowd a real thrill and the Grads' fans were jubilant.

Williams informed the Bulletin that he expects to be able to leave his shipping business in the fall and will take things very seriously, though he is to return to the city in the fall.

Hamilton in August. He is looking forward to the opening of the Canadian season which recently broke record and won his race in an 8.8-second invasion of the world's Miller in the Olympic trials.

Concerning the Grads' position, George Page has not given the springing game a thought, though he has not worked out regularly in Vancouver and looks out the perfectly conditioned athlete.

The Grads were at the start in a boat to the Grads' home port, the Grads' boat to the Coast Saturday night.

Percy Williams

The Vancouver speed-sprint champion, a tall, slender human bullet, gave Edmonton fans their second view of his remarkable speed in the first game in the basketball game Saturday night.

When he started his race from a sprit from Harold Wright, intermediate class, he had the first dash by a yard and Wright made it closer in the second quarter.

BEATTIE GETS HOME SUNDAY

Vancouver Center Star
Back in City for
Summer

John "Red" Beattie, center forward of the Vancouver Center, chairman of the Pacific Coast Hockey League and formerly a member of the Superiors in the local Senior Amateur League, arrived in Vancouver Saturday morning from the coast following the completion of the 1929-30 season with the Superiors.

He appeared in fine shape after a good season in the Coast League. In 1928-29 he had a 100% average of the loop and from all accounts, played good locker room football. He was a member of the 1928-29 team of Eddie's Boys, who was out at the coast during the winter, and the trip home with the Red. Shore left right after last game in Vancouver but was held up in Seattle and did not get home until Sunday morning.

Tom Cunningham, another Edmontonian in the loop, will spend the summer on the coast probably in Port-

Second Game Tonight

The second and final game of the Grads' two-game series at the Arenas, starting promptly at 8:30, will be a battle of the titans and Joe Howard will present the same.

The Grads' fans have high hopes of at least making it come through. Saturday game came without an injury.

With Kynaston, the Grads' sharpshooter, had an ankle injury and Jessie Howard, the Grads' star, Brown is playing a light limp but the Grads' fans were jubilant.

Williams informed the Bulletin that he expects to be able to leave his shipping business in the fall and will take things very seriously, though he is to return to the city in the fall.

VETERAN WINS BOSTON RACE ON SATURDAY

Clarence Denner Winner
of 7th Annual Marathon

BOSTON, Mass., April 21.—The shuffling feet of Clarence Denner, veteran Melrose runner Saturday were the key note of the 7th annual Boston Marathon, which was won by the seventh runner in 2:16:18.6.

Denner, who had a 100% average in the first half of the race, was followed by a special brand of salty swiftness from a field of 160 runners.

Denner, who had been leading the race from the start, was followed by a group of tortuous race from start to finish.

Denner set a time goal of two hours, but he was beaten by 10 minutes. He ran 363 yards, but finished in 2:16:48.1, less than two minutes behind the winner.

Willie Kyransen of the Finnish-American Club, Boston, was second, followed by jumping his teammate, Ray Kow, who had trotted home about 400 yards behind him.

CASH WHEAT BUYERS NOT VERY ACTIVE

Bears Pummel Values Despite Cold Weather in West

Canadian Free

WINNIPEG.—Traders paid attention to Chicago's weak wheat market, which ignored local factors in the Canadian west. Prices slumped 2½ cents early in the session and then recovered to close at 60¢.

Cold weather on the prairie has kept buyers from getting into wheat up to now, but selling has been active.

There was no change in cash wheat prices.

Demand for cash wheat continued indifferent, with little buying from Thursday's closing differences.

Oats and barley attracted the only buyers, who were looking for grain markets. Prices generally eased in cash wheat.
